Group of Trainers in Clinical Psychology 2018 Annual Conference

Interprofessional Learning

UCL
Interprofessional learning and the HCPC set

Dr Joshua Stott, Clinical Director, UCL Doctorate in Clinical Psychology
Our approach

• Why interprofessional learning?
  • The evidence base (e.g. Reeves et al. 2013; Rutherford-Hemming & Lioce, 2018)
  • In SET 4.9, The HCPC say: ‘The programme must ensure that learners are able to learn with, and from, professionals and learners in other relevant professions.’

• Our initial response (and issues)

• Our new (parsimonious) response is here
