In which ways are experts by experience involved?

- Selection – setting questions, interviewing, group task
- Teaching – increasingly taking the lead; proposing sessions
- Research – including co-authoring and co-supervision
- Subcommittee attendance, especially supervisor
Which forms of involvement have worked especially well?
What are the next steps?

- SUCAP co-ordinator role
- Encouraging more involvement by external speakers.
- More co-authoring.
- Increased power sharing in relation to actual candidate / trainee outcomes.
- Negotiating university bureaucracy and changing systems to sustain what we’ve achieved so far...
